

ARION TWP.
QUARANTINE
IS ORDERED

MULT OF MAD DOG RUNNING
MOOSE IN FILLMORE LAST
FRIDAY

SEVERAL DOGS WERE BITTEN

Dogs And Cats In Marion Town-
ship Placed Under 120-Day
Quarantine

As a result of a dog, suffering from
rabies, running at large in Fillmore
Friday, Marion township has
placed under quarantine by J. L.
O'Brien Putnam county Health
Commissioner. The quarantine is for
a 120-day period, effective from Mon-
day July 13.

According to reports, a dog owned
by Mr. Shaw, ran wild in Fillmore
attacking several other dogs be-
longing to the same owner. Its head was sent
to Indianapolis where it was deter-
mined that it was afflicted with rabies
and the quarantine order followed.

The provisions of the quarantine
do not apply to dogs and cats, prop-
erly vaccinated by a competent vet-
erian, at the expiration of thirty
days. All other animals shall be on a
leash or under direct control of their
owners when away from their home
places. Any dog or cat, otherwise
running at large, will be subject to
be killed by peace officers as provid-
ed by Indiana laws.

The quarantine is also ordered to
protect the health of the citizens and
stock in Marion township and with-
out the proper authorities. The
order was sent to Sheriff John
Homer Morrison, clerk of
Putnam circuit court, and to The
Banner.

Prizes For
Park Dedication

MERCHANTS OFFER VARIOUS
PRIZES TO WINNERS IN
DIFFERENT EVENTS

Several prizes will be awarded by
the merchants this evening to the
winners of the various events sched-
uled during the formal dedication of
the new city park.

The list of prizes is as follows:
1st Prize—Case of Coca Cola
2nd Prize—Gardner Bros.

3rd Prize—Stand at home
and bat ball longest distance to
be in fair territory.

4th Prize—Soft Ball bat donated
by Shop.

5th Prize—2 quarts Furnas Ice
6th Prize—Fleecers.

7th Prize—Throw Contest—Stand in out-
and throw ball to home plate.

8th Prize—1 Soft Ball—L. & H.
9th Prize—Sales.

10th Prize—Shaving Lotion—R.
11th Prize—Shoes.

12th Prize—Running Contest—Start at
5 and circle bases—best time
13th Prize—Shoe Co.

14th Prize—Pair Soft Ball Shoes—
15th Prize—Shoe Store.

16th Prize—Two teams to run in
around park—Prize to winning
17th Prize—20 one-half pints of orange
18th Prize—donated by Handys.

19th Prize—Balloons tied on the backs
of contestants. Paper "paddles" used
for bursting balloons. The winner is
one who is able to keep his bal-
loon from being burst. All balloons
donated by Murphy's. First prize—
donated by Cannons.

20th Prize—Suit cleaned and pressed by
Cleaners.

21st Prize—the first three base hit in ball
22nd Prize—2 tickets to Vancastle Theatre.

23rd Prize—first two base hit in base ball
24th Prize—2 tickets to Chateau Theatre.

25th Prize—the first error in base ball
26th Prize—1-2 doz. lemons donated by
Mrs. S.

27th Prize—the player getting his base ball
28th Prize—the dirtiest—Free Laundry job
29th Prize—Steam Laundry.

30th Prize—spectacular catch or fielding
31st Prize—in ball game—Radiator orna-
ment donated by King-Morrison-Pos-
t.

32nd Prize—Local firemen were called to
extinguish a grass fire along the
avenue on Northwood boulevard. A
cigarette tossed from a passing car
evidently started the blaze, which
was stopped before it spread far.

OWNERS URGED TO WATCH
PETS DURING HEAT WAVE

The hot weather has aggravated
the local public nuisance—popularly
known as "dog days," and Greencas-
tle residents have reported several
incidents of dogs, apparently mad-
dened by the heat, becoming vicious.

A small daughter of William De-
Fries, east Washington street, was
bitten by a dog as she was walking
near her home, Tuesday. The canine
had been in a fight with another dog
and as the little girl passed it, the
animal bit her. The owner is keeping
the dog tied up in order to not en-
danger other persons and to see if it
develops rabies.

It is a good policy for dog owners
to keep plenty of cool, fresh water
for their pets and to watch them
carefully during this hot weather as
it will lessen the threat of a situation
that could become serious.

STATE GETS
PROMISE OF
HEAT RELIEF

SHOWERS AND DROP IN TEM-
PERATURE IS PREDICTED
FOR INDIANA

FORT WAYNE, Ind., July 15, (UP)—
A light thundershower broke
here at 11 a. m. today, ending the
most prolonged heat wave in the
history of the local weather bureau
station.

INDIANAPOLIS, July 15, (UP)—
Relief from one of the most severe
droughts in the history of the state
of thundershowers and "not so
warm" was promised today in the forecast.

The scorching heat wave will leave
in its wake a state death toll of at
least 173 lives. Thousands of dol-
lars of damage has been done to
crops, and additional damage has
been caused by fires, started by the
intense heat.

Fifty-seven deaths, including nine
in Indianapolis, were reported in the
state yesterday.
The blistering heat took hold on
the state July 4 and for the last eight
days the temperature has soared
above 100 degrees, establishing a
record for Indiana.

City dwellers and rural folk suf-
fered alike in the heat. Many per-
sons lost their lives in swimming
pools, lakes and rivers. Prostrations
claimed a majority of the victims,
however.

Dr. L. N. Hines,
Educator, Dies

SERVED AS PRESIDENT OF IN-
DIANA STATE TEACHERS
COLLEGE FROM 1921-1934

Dr. Linnaeus N. Hines, 65 years
old, who served as president of In-
diana State Teachers College from
1921 to 1934, died early Tuesday
evening at his home in Terre Haute.

Dr. Hines, who was one of the best
known educators of the middle west,
never fully recovered from a stroke
he suffered four years ago. How-
ever, he was able to be at his desk at
the state college throughout the en-
tire year.

He was born in Carthage, Mo., the
son of Hiram and Sallie Mary
Hines. With his parents he moved
to Indiana when a small child and
was educated in the schools of In-
diana, graduating from the Nobles-
ville high school. He later was grad-
uated from Indiana university with
the degree of A. B. in 1894 and his
master's degree in 1908. He did post-
graduate work at Cornell and Colum-
bia universities and the University of
Chicago. In 1929 he was awarded
his doctor's degree, an honorary de-
gree from Wabash college.

He started his teaching career be-
fore he graduated from college,
teaching and serving as principal in
the grades at Noblesville in 1892 and
1893. He was teacher and assistant
to the principal at Evansville, Ind.,
school, 1894-99; teacher of mathe-
matics at Shortridge high school, In-
dianapolis, 1900; superintendent of
schools at Union City, Ind., 1901-06;
superintendent of schools at Hart-
ford City, Ind., 1906-08; superintend-
ent of schools at Crawfordsville,
1908-19; electer state superintendent
of public instruction two times, serv-
ing from 1919 to Oct. 1, 1921, when
he resigned to go to Terre Haute as
president of the Normal School; from
1921 to 1924 he also served as pres-
ident of the eastern division of the
Indiana State Normal School at Mun-
cie, now Ball State, and was presi-
dent of Indiana State Teachers col-
lege since 1924.

FRANK VAUGHN
IS ELECTED TO
SCHOOL BOARD

CHOSEN BY 3 TO 1 VOTE OF CITY
COUNCIL TUESDAY
EVENING

ALBERT DOBBS RESIGNS POST

Special Session Set For Monday
Night To Elect Successor To
Retiring Council Member

B. Frank Vaughn was elected
Tuesday evening by the Greencastle
city council to the local school board
to fill the position which will be vac-
ant August 1 on expiration of the
four year term of Dr. C. B. O'Brien.
He was elected by a vote of three to
one, with Prof. H. E. H. Greenleaf
receiving the fourth vote.

Before the vote was taken a peti-
tion signed by 84 local citizens re-
commending Greenleaf for the post
was read in full by the clerk. An
announcement tendered by J. O.
Cammack stating that he wished to
be considered a candidate for the
post was also read.

Mr. Vaughn was elected to the reg-
ular term of four years.

At last night's meeting of the
council the resignation of Albert L.
Dobbs, Democratic member, was
submitted and accepted by the group.
Mr. Dobbs has been appointed post-
master of the Greencastle postoffice
and under the rules of that govern-
mental branch his duties from July
1, the date of his appointment, must
be confined to that department.

In his resignation Mr. Dobbs stated
that he considered his experience
gained as a member of the council
and his association with the remain-
ing members during his term of of-
fice as invaluable to him. He ex-
pressed his sincere regret at being
forced to resign from the post.

On motion of Dr. J. G. Campbell of
the council a resolution was adopted
expressing appreciation of the coun-
cil for the fine spirit of co-operation
shown by the retiring member during
his term of office.

The council set Monday, July 20,
as the date for a special meeting to
replace Dobbs. A special election
will be held at that time and a Dem-
ocratic member will be named. The
meeting is set for 8 o'clock on the
evening of the 20th.

Ordinance number 10-1936 was
passed at last night's meeting, where-
by a park board of four members
will be named to take over control
and management of the city park
system. The control of the city park
system has heretofore been in the
hands of a committee working with
approval of the council as a whole.

The four members of the park
board of trustees will be elected at
the special meeting of the council next
Monday evening. According to law
the members of the board must serve
without pay. One member will be
elected to serve a term of one year,
one to serve two years, one to serve
three years and one to serve four
years. At the expiration of each
term a member will be named to
serve for four years.

Building permits approved at the
council include the following im-
provements:

To the Kappa Alpha Theta soror-
ity, to remodel fraternity house at
904 south College.

To Jennie A. Wolfe, to move four
room house at Ohio and Locust.

To Harold Collins, to erect two
rooms on residence at 122 west
Berry.

To Brenta McGregor, to repair
house at 218 Bloomington.

To Audrid Fleenor, to remodel
house at 510 east Washington.

The following claims against the
city were allowed at last night's
meeting:

Indiana Asphalt Paving Co.,
\$68.40; S. R. Rariden, \$33.72; Greencas-
tle Hardware Co., \$7.88; Coca
Cola Bottling Co., \$8.45; R. L. Hub-
bard, \$48.70; Goodyear Service,
\$31.19; L. and H. Chevrolet Co.,
\$2.40; Jesse M. Hawkins, \$8.72; In-
diana Associated Telephone Co.,
\$8.30; Sam Hanna, .85.

SHIPS CRASH; 230 SAVED

BALTIMORE, Md., July 15, (UP)—
More than 250 persons rescued
from the excursion steamer State of
Virginia after she was rammed by
the freighter Golden Harvest landed
here today.

Among those taken from the
steamer were Gov. Harry Nice of
Maryland, other state officials and
members of the Automobile Trade
Association, which had chartered the
vessel for a two-day Chesapeake bay
cruise.

Effects of Drouth Felt Throughout World

Every section of United States and many parts of
Europe are beginning to feel effects of the drouth
which has taken a terrific toll in midwestern states.
The international market on cotton, wheat, corn
and other commodities is being affected to such
extent by the ravages of nature in the "dust bowl"
of United States that the current cataclysm of
nature is more than an American tragedy. The
full brunt of its attack, however, is borne by those
hardy farmers whose lands have been stripped of
fertility whose stock has died from lack of food
and water whose crops have withered and died
beneath the searing sun. Thousands are being aid-
ed by the government through federal work pro-
jects and subsidies. Other thousands are vacating
their desolated lands for more favorable climates.

Heat Fatal To
Former Resident

OWEN BLACK PASSED AWAY
TUESDAY MORNING IN ST.
LOUIS, MO.

Sudden illness as result of heat
prostration, proved fatal Tuesday
morning at 9:30 o'clock to Owen
Black, age 54 years, a former resi-
dent. His death occurred in St. Louis,
Mo.

Mr. Black is survived by his moth-
er Mrs. Lucy Black; one sister, Mrs.
Florence Sloan, both of New York,
and a brother, Paul of this city.

The body will arrive in Greencastle
this evening and will be taken to the
McCurry Funeral Home.

Short services will be held at the
grave at Forest Hill cemetery, Thurs-
day afternoon at 1 o'clock.

TEMPORARY WRIT ISSUED

INDIANAPOLIS, July 15 (UP)—
A temporary writ of prohibition to
prevent Judge Charles Smith of
Madison circuit court from acting in
a Muncie firemen's salary dispute
suit was issued today by the state
supreme court. The writ was made
returnable Aug. 1.

Application for the prohibitory writ
was made by the city of Muncie
pointing out that an appeal in the
case already is pending before the
supreme court.

The appeal was taken by the city
after 14 firemen dismissed by Mayor
George Dale in 1931 obtained a Dela-
ware superior court order for their
re-instatement.

While the re-instatement case was
pending before the high court, the
firemen asked Delaware circuit court
to mandate payment of back salaries.
The case was taken to Madison
county on a change of venue and the
firemen won.

When the city failed to comply with
the mandate order, the firemen asked
for a contempt citation against the
city. The prohibitory writ prevents
the Madison county court from acting
on the contempt citation.

20 Years Ago
IN GREENCASTLE

Miss Elizabeth Ward and Miss
Bernadine Ward are visiting relatives
in Hammond.

Miss Elsie Browning returned home
from Lafayette where she has been
the guest of relatives.

Mrs. N. C. O'Hair entertained with
a lawn party.

Miss Ethel Gibson went to Indian-
apolis where she has accepted a po-
sition with the Bell telephone com-
pany.

OUCH! ONLY 140

The ordinary thermometer is
graduated only to about 120 de-
grees Fahrenheit, and because of
this fact, they have been unable
to register the temperature in the
sun during the past twelve
days. But Tuesday afternoon Lee
Hubbard at the Sinclair station
decided to use an alcohol testing
thermometer which registers
high. Its use ordinarily is to test
radiators in winter time, but
Tuesday afternoon it worked to
a good cause because soon after
being placed in the sun on the
west side of the station, it only
showed 140 degrees. At the same
time, a thermometer hanging on
the wall inside The Banner of-
fice, showed about 108. And
thus it went throughout the day.

George Barnett
Called By Death

LAST RITES FOR LOCAL MAN
TO BE HELD THURSDAY
MORNING

George W. Barnett, age 75 years,
died at his home at 66 Martinsville
street, Thursday afternoon at 4:30
o'clock following a several months
illness.

He is survived by the widow, two
sons, Cecil Barnett and Hugh Bar-
nett, and three daughters, Mrs. Golda
Myers of Lebanon, Mrs. Bessie Vail
of Clinton and Mrs. Myrtle Reynolds,
north of the city and a step-son Fred
James.

Funeral services will be held
Thursday morning at 10:30 o'clock
from the McCurry funeral home. In-
terment will be in Forest Hill ceme-
tery.

FOOT FROST-BITTEN!

Another unusual story, one of
many due to the heat wave, was re-
ported today when it was claimed
that Howard Dean is suffering from
frost bite.

Dean went from one department in
the Gardner Bros. ice plant where it
was 120 degrees above, to the ice
room, and as a result one foot was
frost-bitten. Kimber Gardner was
working with Dean at the time but
could not be located to verify this
latest of hot weather tales.

SLAIN BY POLICEMAN

TERRE HAUTE, Ind., July 15—
(UP)—Resisting arrest for question-
ing in connection with two holdups,
Jack Murray, 41, Sandusky, O., was
shot and killed today in a gun battle
with police. Officers said Murray
opened fire and narrowly missed two
police lieutenants.

HEAT SOARED
TO ALL-TIME
HIGH IN CITY

TUESDAY WAS HOTTEST DAY
GREENCASTLE HAS EVER
EXPERIENCED

111 TUESDAY AFTERNOON

Some Local Thermometers Registered
As High As 114. Entire State
Reports Record Marks

Tuesday is believed to have been
the hottest day Greencastle ever ex-
perienced. It was likewise the hottest
day many other Indiana towns ever
saw and the temperature in Indiana
cities ranged from the cool spot of
Anderson, where it was only 105 to
the hot spot at Frankfort where it
went to 115.

Greencastle was in between these
two points with a top mercury read-
ing of 111 at three o'clock. Some
Greencastle people reported a read-
ing of 114 about the same time.
These thermometers were all in the
shade, it was said.

Tuesday night was one degree
warmer at the minimum time, four
o'clock in the morning, than some
previous nights when the low mark
reached was a cool 75. Tuesday
night's minimum was 76.

Although the sun was not as bright
today as it has been heretofore, the
mercury was high and this marked
the twelfth consecutive day of more
than 100 degree temperature. At
11:30 o'clock this morning The Daily
Banner thermometer had risen to
106 degrees and many were feeling
the stifling heat as much as other
days during the week.

51 WERE HELPED

Fifty-one Putnam county pupils
were assisted in attending school by
the National Youth Administration
during the school year just closed, ac-
cording to Edward E. Edwards, state
NYA director.

Twenty boys and thirty-one girls
earned sums ranging from \$3 to \$50
while the average earnings per pupil
for the year were \$27.50.

The Bainbridge, Belle Union, Greencas-
tle, Putnamville, Reelsville, Roach-
dale and Russellville high schools
participated in the NYA aid program,
providing parttime jobs to pupils on
the basis of need. These needy young
persons were selected by their school
principals and their work was super-
vised by school authorities. Twenty
of the 51 NYA pupils in Putnam
county were from relief families.

The aid program is not operative
during the summer.

Gordon Sayers left today for a
short vacation.

RAIN BRINGS
RELIEF OVER
MIDDLE WEST

GREAT WAVES OF COOLING AIR
END MOUNTING TOLL
FROM HEAT

MAY REVIVE CORN CROPS

Heavy Rainfall Reported After Six
Weeks of Blistering Temperatures
On Great Plains

CHICAGO, July 15, (UP)—Chilled
air from the Hudson Bay area and
widely-scattered showers brought
temporary relief from an unprece-
dented heat wave in the Great Lakes
area today but the prairie states suf-
fered again under a blazing sun.

Deaths attributed to the heat
mounted to more than 3,000 with
property damage past the \$500,000-
000 mark.

Showers over Wisconsin, Minne-
sota, northern Iowa, and Missouri
"didn't do much good except in local
areas," Forecaster Joseph R. Lloyd
of the Chicago weather bureau re-
ported.

"The heat wave and the drought
are not definitely broken," Lloyd
said. "A hot south wind again is
blowing over the plains states."

CHICAGO, July 15, (UP) — Two
great waves of cool air rolled over
the middlewest from the north today
to check the carnage of 12 days of
terrible heat at a little less than
2,750 lives.

One wave swept out of the Hudson
Bay region of Canada, across the
Great Lakes toward the eastern half
of the heat zone. The other, product
of the Pacific northwest, approached
the Mississippi and Ohio river valleys
from the great plains states, pouring
life saving draughts across drought
ravaged wheat fields and cattle
ranges.

Both waves brought heavy rains
which may revive withering corn
crops and end a six weeks' drought
that has caused an estimated half
billion dollars damage in 28 states.

The northern wave of cool air
brought relief last night to Michigan,
hardest-hit state in the heat area.
Detroit residents, who gasped in a
103-degree temperature yesterday,
spent their first comfortable night in
nearly a week. The thermometer
dropped to 70 degrees at midnight.
Rains, some violent, spattered across
the entire state.

As the blistering heat entered its
12th and probably final day, its vic-
tims numbered 2,602 in three-fourths
of the United States. At least 100
more, mostly aged persons, infants,
and those whose illnesses were ag-
gravated by high temperatures, were
expected to succumb before relief be-
came complete.

Minnesota cooled off as the west-
ern wave rolled into the upper
reaches of the Mississippi valley last
night. The Twin Cities, St. Paul and
Minneapolis, whose hospitals, like
Detroit's, worked on an emergency
basis yesterday through another day
of killing heat, got a three-minute
shower at 7 o'clock last night. The
clouds remained.

The residents of seven other states
—Illinois, Wisconsin, Iowa, Missouri,
Ohio, Indiana and Kentucky—bore
their suffering through the night
grimly, confident of relief before an-
other day has passed.

J. R. Lloyd, government forecaster
in Chicago, predicted local thunder-
showers today for all seven states.
Kentucky and Ohio may be the last
to receive relief, he said.

The rains and cool air which fol-
lowed served a double purpose, they
revived the dying crop crop, which if
added to the pastureland and small
grains that have burned in more than
five weeks of drought might have
boosted the property damage far be-
yond \$500,000,000. And they checked
the death toll, which had mounted

CANNON'S

MAN DEAD NINE YEARS NAMED IN ARRAIGNMENT

MONAREAL (UP)—A man who has been dead for nine years was charged in Arraignment Court here with selling groceries underweight.

When the court clerk called the name M. Hara, a woman stood up and said she was Mrs. Hara.

"Is your husband not here?" the judge asked.

"No," she replied. He's been dead for nine years.

A BIBLE THOUGHT FOR TODAY
The Door of Our Lips: Set a watch, O Lord, before my mouth; keep the door of my lips.—Psalms 141:3.

PERSONAL AND LOCAL NEWS

The Ruark reunion will be held in the Harlan Grove at Coatesville, Sunday, July 19th.

Miss Frances Jean Sonfield of Brazil is a guest this week of her aunt, Mrs. Charles Hudson of this city.

Mr. and Mrs. Clifford Miller and son of LaGrange, Illinois are visiting Mr. and Mrs. Drew Miller of this city.

Dr. D. W. Killinger left this afternoon for Colorado, where he will spend a vacation with Mrs. Killinger until August 1.

The Russellville K. of P. Baseball team has organized for the balance of the season, under the management of Wm. Campton. Local teams take notice.

On the evening of July 11, the members of the Thursday Club entertained their families and some friends with ice cream and cake at the home of Mr. and Mrs. Corda Haircourt.

Mr. and Mrs. Herman Atkinson of Miami, Fla. are here visiting relatives. Mrs. Atkinson was formerly Miss Antoinette Longden. Miss Loreta Hunt accompanied them here for a visit with her grandmother, Mrs. Gentry.

Funeral services for Preston O. Rudy, well known insurance man of Crawfordsville, who died Sunday, were held from the home Tuesday. Mr. Rudy will be quite well remembered in Greencastle as he often visited here.

Funeral services for Mrs. Sarah Ford, a heat victim, who died Monday night at her home in Bainbridge, were held Wednesday afternoon at 2 o'clock from the residence. Bruce Lane was in charge. Interment was in Bainbridge cemetery.

THE REASON

Last night I read the Banner, And much to my surprise, I saw that some of the goofy boys Are going without ties.

I made a run around the block To see just why, and who; And much to my amazement I found the story true.

My first stop was at Fleenor's. Then the bank, and Pinky's too. And not a solitary tie In that whole motley crew.

From auto salesman right on through To boys who peddle ice, I checked, and found the reason is They want to save the price!

Now lots of us are bothered by This rise in Fahrenheit, But the boys who fail to wear the ties Are just too dog-gone tight!

Cannon's Will Solve This Problem Tomorrow.

Mrs. George McHaffie is reported ill at her home on south Indiana street.

Mr. and Mrs. Reeve Morlan of Madison township are the parents of a son born Wednesday morning.

Mr. and Mrs. J. H. O'Neil, of Indianapolis have returned home after a two weeks' visit with Mr. and Mrs. George Osborne.

Mrs. Hallie Grismer, 327 south Bloomington street, underwent an operation at the county hospital, Wednesday morning.

Richard Baldwin, son of Mr. and Mrs. Lloyd J. Baldwin of Toledo, O., is visiting his grandparents, Mr. and Mrs. James Merryweather, south Indiana street.

Miss Eva Robinson has returned to the home of her parents, Mr. and Mrs. John Robinson after a three weeks trip through the New England states and Canada.

William Query, who was seriously injured July 4 when his car struck a freight train at the Bloomington street crossing, returned to his home Wednesday morning from the Putnam county hospital.

Mr. and Mrs. L. G. Palmer of Chelsea, Mich., Misses Lola and Agnes Stokoe of Pontiac, Mich., and Graham T. Robertson of Chicago, have returned to their homes after being called here by the death of their grandmother, Mrs. Kate M. Robertson.

Several from here are planning to attend A Better Housing Institute, sponsored by F. H. A. representatives to be held Thursday at Purdue university. Luncheon will be held at 12:30 o'clock in the Union building after which there will be an address by Frank Watson, head of Purdue Research Housing; Dean Mathews on "Home Modernization," R. Earl Peters on "Federal Housing" and "Women's Educational Work" by Mrs. Williams. The research homes on the Purdue campus will be open to visitors, also the F. H. A. model steel home of Mrs. Rycraft.

Life is too short to waste it over a wash tub. Our thrifty service will solve the problem. You will be surprised at the low cost. Home Laundry and Cleaners. 15-11

JOURNAL ISSUED IN 1728

OWNED BY MINNESOTAN FARIBAULT, Minn. (UP)—A copy of The New England Weekly Journal, issued in 1728, is in the possession of Maynard Russell of Faribault.

The newspaper, handed down from generation to generation, carries a headline declaring the issue contains "the most remarkable occurrence foreign and domestic." It is dated April 8, 1728.

RAIN BRINGS RELIEF

(Continued From Page One)

by hundreds daily. The drought which began late in May in the Dakotas appeared to be definitely broken except in the states where relief was promised today. The heat wave, described by weather bureau officials as the most severe in the history of the north central states, shattered dozens of records in its climatic stages.

Some of the record breaking temperatures yesterday included 112 degrees at Rockford and Peoria, Ill.; 111 at Joliet and Ottawa, Ill., and Logansport and Lafayette, Ind.; 108 at Davenport, Ia., and Moline, Ill. Indianapolis had 106.1, La Crosse, Wis., 104. Before the rains fell late yesterday and last night, Detroit thermometers recorded 103 and St. Paul, Minn., 104.

Scenes in hospitals in the heat area resembled those following a great disaster. The Chicago county

hospital ordered extra supplies of ice and the county morgue held the bodies of 10 heat victims for which there was no room in the vaults. The St. Paul coroner gave up trying to keep a complete record of deaths, which listed in newspapers filled two columns. Detroit hospitals and morgues were crowded beyond normal capacity. In St. Louis, 64 heat deaths were reported in 24 hours.

When the rain came, it came with a vengeance. It was accompanied by a high wind that caused \$100,000 damage to crops near Ionia, Mich. It washed out 900 feet of railroad tracks near Williston, N. D.

The rain was too late to save the wheat crops of the Dakotas or to revive the northwest cattle ranges where livestock literally starved to death and owners had to market their animals at a loss or send them to greener pastures. Although it may save the valuable middle west corn crop, the effects of the prolonged drought on the dairy industry were felt strongly today.

Milk prices were expected to rise one cent a quart in St. Louis, Chicago and southeastern Wisconsin as they already have done in Knoxville, Tenn., Indianapolis, Ind., and Cincinnati, Ohio. Lincoln, Neb., dairy men said a milk price rise was imminent. New York City housewives are paying one cent more per pint, and Kansas City producers will demand a one cent per quart increase.

Lack of pasturage forced butter prices up five cents a pound in Detroit, egg prices rose four cents a dozen in Detroit, and dealers in most large cities said fresh fruits and vegetable prices have risen 15 per cent.

Farmers left with greatly reduced crops hoped to share part of these price increases. The federal government provided further relief.

The works progress administration allotted \$1,500,000 to the soil conservation service yesterday for projects in 12 states. President Roosevelt allotted \$3,000,000 to the WPA for direct relief grants. The agricultural department promised to buy sheep from drought-ravaged South Dakota farmers. These measures supplement work-relief projects in five states, a one-year moratorium on rehabilitation loans and cattle-purchasing programs.

Many of the farmers in the Dakotas are moving into other states less susceptible to drought. Others in the drought area, however, rely on government relief to carry them through the winter so they can try again next year.

"TOUGH GUY" ISO-VIS "D" CAN TAKE IT!

KEEPS YOUR OIL LEVEL UP AND
YOUR OIL COST DOWN

Standard's Premium Quality
Motor Oil laughs at
long hauls

Here's motor oil that doesn't get tired! Neither the long grind of summer driving nor frying engine temperatures can

sweat out the qualities which make it good—it's tough!

By a special process, sludge-forming and carbon-forming impurities have been removed from ISO-VIS "D"—it's all oil! The things that weaken other oils with wear are removed from ISO-VIS "D". That's why it's so good! That's why it lasts.

It lubricates better—longer. You use less—spend less—with ISO-VIS "D".

**MORE MIDWEST DRIVERS
USE ISO-VIS "D" THAN ANY
OTHER PREMIUM QUALITY OIL**

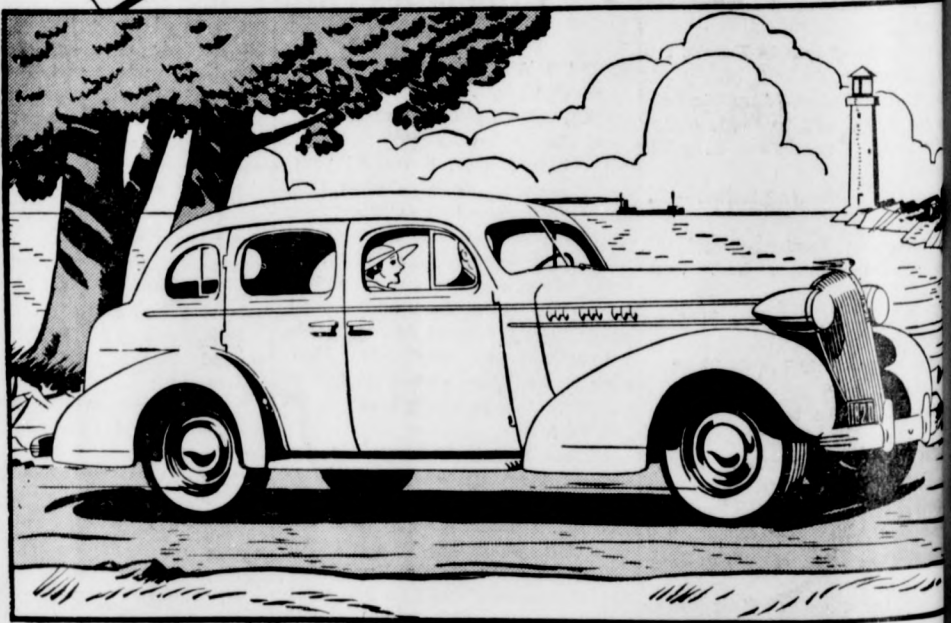

**And it's only
a Quarter a Quart!**
Plus Federal Tax, 1¢ a qt.—
Total 26¢ a quart

Swing through your Summer's driving with new economy, new engine protection—ISO-VIS "D", will give you these. It's for sale at the sign of STANDARD SERVICE. Wherever you see that sign ask for ISO-VIS "D". The Standard Dealer has the right grade for your car. Let him drain, flush, and fill your crankcase with tough, lasting ISO-VIS "D"—start saving now!

(With Iso-Vis "D" in your crankcase you wouldn't need to change oil again for an indefinite length of time—if it weren't for road dust and gritty foreign matter which eventually turn every motor oil into a grinding compound. ISO-VIS "D", itself, won't wear out! But for clean oil and safe driving check your car and change oil every 1,000 miles. Change now, and run your next 1,000 on Iso-Vis "D".)

CHECK YOUR CAR FOR SAFE DRIVING AND LUBRICATE EVERY 1,000 MILES!

2 WAYS TO CONVINCE YOURSELF OLDSMOBILE is a Better BUY

You don't have to take an Oldsmobile on faith. You can get proof and double proof that Oldsmobile gives you more for your money. First, put Oldsmobile through its paces. Your own experience will convince you that Oldsmobile performs, handles and rides "like a million." Second, check Oldsmobile's complete list of fine-car features against what other cars have to offer. You will find that Oldsmobile gives you everything you want, from Knee-Action Wheels and Super-Hydraulic Brakes to Body by Fisher, with Solid-Steel "Turret-Top." And in Oldsmobile, remember, all these advantages are yours at a price but a little above the lowest. That is why, when you drive and compare, you will quickly discover that Oldsmobile is a better buy.

THE CHOICE OF TRUCK OWNERS WHO KEEP TRACK OF THEIR COSTS!

COMPANIES that operate large fleets of trucks keep accurate, detailed cost records and time sheets. They know what every truck in their fleets is costing them. When they are in the market for new trucks, they first look at their cost records . . . and they buy on the basis of FACTS.

Even though you may need only one truck in your business, it will pay you to follow the example of the fleet owners. They know that Ford V-8 Trucks haul more tons more miles at lower cost. Their cost records prove it . . . and the fact that more and more fleet owners are buying Fords clinches it. Call your Ford dealer today and set a date for an "on-the-job" test with your own loads, over your own routes . . . and make your own comparisons of V-8 Economy and V-8 Performance.

"PROVED BY THE PAST . . . IMPROVED FOR THE FUTURE"

PARKING METERS PRAISED

INDIANAPOLIS, July 15.—Indiana's larger cities should adopt the parking meter system to conquer the parking problem, Donald Stiver, state commissioner of public safety, said today.

Stiver, who has just returned from Oklahoma City, Okla., and Dallas, Tex., where the meter system is used, raised the results.

"It has solved the parking problem," Stiver said. "In Dallas, revenue

amount to \$150,000 annually and costs total only \$9,200."

Stiver said the motorist places a nickel in a meter to park his car for a certain length of time, at the end of which a red flag appears. If he has not removed his car he is subject to a traffic fine.

ROBINS HOLD UP JOB

SOUTH BEND, July 15.—Unless nature aids the contractor, a new University of Notre Dame dormitory

may not be ready for 200 freshmen this fall.

Three weeks ago a pair of robins nested in the top floor.

Twice evicted by the Rev. John J. Reddington, C. S. C., supervisor of maintenance, they returned and workmen soon found three eggs. Artisans were warned away by a sign, and the blessed events are expected this week.

MISSIONARY MEETING

A missionary meeting will be held

at the Nazarene church Thursday evening. The public is cordially invited. The program is as follows:

Instruction by Mrs. Sample; Topic for the evening, "Work Among the Indians in Latin America"; "Nazarene Beginnings in Peru" by Mrs. Jenkins; "The Aguaruna Indians" by Richard Whelan; music by men's trio; "Nazarene Pioneering" by Clifford Estep; "The Day of Opportunity" by Merle Light; music by women's quartet and "Our Debt to the Pioneers" by Clifford Estep.

Chesterfield

...because it has the right kind of Turkish tobacco in it

Turkish tobacco is expensive—that's true—every pound has to be imported 4000 miles.

But it's one of the biggest reasons why Chesterfields taste better.

It's another reason why you'll like the aroma—it's more pleasing and fragrant—the Turkish in Chesterfield is another reason why Chesterfield wins.

Fifth Week

July 15—6:30—Softball Park Dedication.

July 16—7:30—Coca Cola vs. Sinclair.

8:30—Christian Church vs. Kroger.

8:30—July 17—7:30—Laundry vs. Merchants.

8:30—Lone Star vs. Rotary.

"Snooks" Hill, Sinclair pitcher, scored the first shutout of the softball season last night as he blanked Laundry in the first game 9 to 0. The Laundry team collected nine hits off of Hill, but they muffed several scoring chances by ragged base running. Lemmink, Laundry pitcher, was in trouble most of the game, having

considerable difficulty in locating the plate.

In the second game the Colored Giants swamped the Fillmore Specials 19 to 2. Cartwright hit a long home run to aid the Giant cause.

Softball fans will have an opportunity to compare play in the two leagues as the Merchants, National League leaders, and Lone Star, holder of top place in the Federal League, tangle in an exhibition game at 8:30 this evening during the park dedication.

NOTICE

The Garbage Collector has quit and pending the appointment of a new Collector our citizens will have to dispose of their garbage in some sanitary manner, either bury it or have some one haul it away. As soon as a new contract can be let collections will start again.

QUARANTINE ORDER IN RABIES

WHEREAS it has been shown to the satisfaction of the County Health Commissioner of the County of Putnam, State of Indiana, the Indiana State Veterinarian and the Indiana State Board of Health, that an emergency exists within the Township of Marion, County of Putnam, because of an outbreak and epidemic of the disease known as rabies, constituting a menace to public health and to live stock within the County of Putnam and also threatening the public health and livestock throughout the State. It is therefore

ORDERED, by the County Health Commissioner of Putnam County, the State Veterinarian and the State Division of Public Health, that a quarantine of all dogs and cats within the Township of Marion, County of Putnam, State of Indiana, shall be established and maintained for a period of not less than one hundred and twenty (120) days from this date, July 13, 1936. It is further

ORDERED, that the term "quarantine" as used in this order shall mean, that all dogs when at large and away from the premises of the owner shall be in leash or under the direct control of the owner and that any dog or cat found at large and away from the premises of the owner and not under the direct control of the owner shall be subject to be killed by peace officers as provided by law. It is further

ORDERED, that this quarantine shall be in full force and effect for the period of thirty (30) days from this date and that after the expiration of this thirty (30) day period, the provisions of this quarantine order shall not apply to dogs that have been properly vaccinated by a competent veterinarian within a period of six (6) months prior to August 13, 1936, when such vaccinated dogs are known to the local enforcing authorities.

This Quarantine order shall be duly promulgated by being published in the newspapers of Putnam County and by furnishing copies to the Clerk of the Circuit Court and to the Sheriff of Putnam County and by furnishing copies to the Chief of Police and Town Marshals of incorporated cities and towns within Township of Marion, County of Putnam.

Attest:
J. L. ABBY, M. D. C. State Veterinarian.

W. M. O'BRIEN, M. D. County Health Commissioner, Putnam County.

Previews and Reviews AT LOCAL THEATERS

Chateau

The United States coast guard air corps is used as the background for "Border Flight," which opens at the Chateau theater tonight. Dog-fights between planes of the corps and fur smugglers' planes, and machine gun battles in the sky provide plenty of action. Three plane crashes, one of

them brought about when the pilot makes a deliberate power-dive from high in the air to smash into an enemy boat, add to the thrills. John Howard and Grant Withers are cast as rival pilots. Frances Farmer has the only feminine role in the film.

Voncastles

Official pictures of the Joe Louis-Max Schmeling prize fight at the Yankee Stadium in New York heads the bill at the Voncastles. A program picture and a news reel complete the offering.

PRESIDENT TO VISIT ADMIRAL BYRD ON VACATION CRUISE

ABOARD SCHOONER LIBERTY WITH PRESIDENT'S FLOTILLA. July 15, (UP)—President Roosevelt, refreshed by his first night aboard the schooner Sewanna, planned to visit Admiral Richard E. Byrd's camp today before sailing from Bucks Bay, Me., with his three sons on the second leg of a vacation cruise.

He expected to be with the leader of the Antarctic expedition for a few hours.

Perfect weather was forecast for resumption of the cruise. Light winds yesterday caused the Sewanna and the schooner Liberty, carrying nine Washington newspapermen, to make slow time from Pulpit harbor.

Mr. Roosevelt, wearing his favorite sea togs, an old battered hat, duck trousers, and white sweater, took his turn at the helm while his three husky sons manned the sails of the schooner.

The Sewanna footed leisurely up the coast and slid into Bucks Bay for the night. President Roosevelt stayed aboard to confer with Secretary Marvin McIntyre instead of visiting the yacht Potomac or the destroyer Hopkins, anchored nearby.

LANDON-KNOX CONFER

TOPEKA, Kan., July 15, (UP)—The Republican party's candidates for the nation's highest offices, Gov. Alf M. Landon of Kansas and Frank Knox of Chicago, met today for an all-day conference to shape their 1936 campaign.

With their meeting, word came that Col. Henry L. Breckinridge, a conservative Democrat and opponent of President Roosevelt in several state primaries, had joined their forces and promised to vote the Landon-Knox way in November.

Breckinridge's announcement followed a surprise meeting with the Kansas governor yesterday. The former assistant secretary of war during the Wilson administration emerged from the conference and issued a statement declaring that he thought his vote change was "the lasting good of the country."

INDIANAPOLIS LIVESTOCK

Hogs 3,000, holdovers 20; market mostly 25 cents higher; overweights 15 to mostly 25 cents higher; 160 to 250 lbs., \$10.30 to \$10.55; 250 to 280 lbs., \$10 to \$10.30; 280 to 300 lbs., \$9.80 to \$10; 300 lbs. up, \$9.10 to \$9.80; 130 to 160 lbs., \$9.75 to \$10.25; 160 to 130 lbs., \$9.00 to \$9.75; packing sows \$7.75 to \$8.75, top \$9.00.

BASEBALL SCHOOL

INDIANAPOLIS, July 15—A baseball school, the purpose of which will be to seek out future talent for the Indianapolis Indians, was announced today by Wade Killefer, Tribe Chief. The school will be held at Perry Stadium here on Wednesday and Thursday, July 22 and 23.

While the project is called a school, it will not be that in every sense of the word because Manager Killefer seeks boys between the ages of 16 and 21 years, who are diamond game stars in their communities and who have a whole hearted desire to follow the professional occupation providing they can prove themselves capable.

Already scouts of the Indianapolis club are in the field looking over talent that has been recommended by persons of baseball authority. In as many cases as possible the Tribe chief desires that all boys who are to take part in the July school come through nomination by some newspaperman who has seen them play or by college or high school coaches, athletic directors, playground instructors and others who are capable of knowing likely looking talent when they see it.

Manager Killefer has no great desire for numbers in the coming school but would much rather have quality rather than quantity. In addition he desires to insure himself against overlooking any good prospect and will have every member of the Tribe roster on hand to aid him in the in-

struction and to check up on every aspirant.

OBITUARY

Mary Kate Bonwell, daughter of Michel and Agnes Sims Bonwell was born March 24, 1854 near Decatur, Illinois, and died July 10, 1936 at the home of her son Raleigh A. Robertson in Greencastle, Indiana, age 82 years, 3 months and 17 days.

She was one of a family of seven children; three sisters, Amanda, Margaret and Grace and one brother, Spencer, who have preceded her in death; and one sister Laura Goehring and one brother Dick A. Bonwell, both of Ottumwa, Iowa, who survive.

Early in her life her family came to Bartholomew County, Indiana near Hope. Here she spent most of her life.

She was united in marriage to David A. Robertson, August 20, 1876. To this union two children were born, Stella Alice, who has preceded her in death, and Raleigh Alonzo.

In early girlhood she united with the Christian church. Later this membership was transferred to the Hope Methodist Episcopal church, in which she took an active part. She was a charter member of the M. E. church Ladies Aid Society.

She is survived by her son, sister, a brother and four grandchildren and many relatives and friends.

CARD OF THANKS

We wish to express our sincere thanks to our neighbors and friends for the kindness shown us during the illness and death of our beloved sister, mother and grandmother.

Mrs. Laura Goehring,
Raleigh A. Robertson
and Grandchildren.

AWARD CONTRACTS ON STATE HIGHWAY COSTING \$2,772,662

Contracts for construction and improvement work on the Indiana state highways in 23 counties, costing approximately two and three-quarter million dollars, were awarded by the State Highway Commission during June, it was announced today by James D. Adams, chairman.

During the month the highway commission awarded contracts for grading, surfacing and paving 31.4 miles of highways, for the construction of 13 grade separations and for the building of 28 bridges and small structures. Counties in which these projects are located include: road projects—Marshall, Lake, Boone, Henry, Delaware, Madison, Fountain and Crawford counties; bridges and grade separations—Lake Rush, Hendricks, Pike, Gibson, Boone, Hamilton, Vigo, Dubois, St. Joseph, State Henry, Delaware, Warren, Clark, Allen, Madison, Kosciusko and Harrison counties.

The awards during June practically complete the highway commission's 1936 construction program, the major part of which is to be completed yet this year.

On some of the larger projects such as grade separations, completion dates will extend into 1937. Several projects included in the 1936 state highway program and placed under contract during the fall or early spring, have been completed and others are nearing completion. This early completion of improvement and construction projects is a benefit to motorists as it eliminates detours at a season when traffic reaches its peak.

During recent weeks unusual progress has been made on a majority of the construction projects, one benefit of the continued dry weather. Normally at this season, contractors are forced to delay operations frequently due to heavy rains. In some sections there is a possibility that continued lack of rain and an inadequate supply of water will force suspension of construction activities until there is sufficient rain to replenish the water supply.

MARRIAGE FEE SURPRISES

SANTA CRUZ, Cal., (UP)—A well dressed young couple that applied for a marriage license here was surprised at the existence of a \$2 fee. "I have 8 cents," the prospective groom declared, while the prospective bride admitted she had 6 cents.

4-H NEWS

OBITUARY

Flossie E. Sellers, daughter of Randolph and Laura Brown, was born near Greencastle, in Putnam County, October 10, 1893. Departed this life at her home north of Greencastle June 28, 1936.

Besides her husband, Ernest M. Sellers, survivors are her mother, Laura Brown, and seven brothers and one sister, Harry, Leland, John, Samuel, Russell and Louise Fidler of Greencastle, Arthur of Cloverdale, and Wilbur of Illinois.

Flossie's many qualities of mind and heart have endeared her to a host of friends. Many of us are rich in the enjoyment of her friendship. We have seen her and been with her in the home which she loved. So necessary it seems to our happiness; yet so fitted to dwell in that mansion not made with hands.

I can not say, I will not say. That she is dead; she is just away. With a cheery smile and a wave of the hand.

She has wandered into unknown land. And left us dreaming how very fair it needs must be, since she lingers there.

JOE LOUIS DRUGGED?

CHICAGO, July 15, (UP)—Despite blanket denials by Joe Louis, his managers and the closest members of his family, a rumor that clouded the Louis-Schmeling fight persisted today with a private detective publishing an affidavit that the brown bomber was drugged 20 minutes before the bout.

In the face of such whole-hearted denials, the boxing world chose to look the other way when Sheridan A. Bruseaux, a dapper negro investigator, first revealed his sworn statement that Mrs. Eulalia Barrow Gaines, Louis' sister, admitted to him Joe had received a hypodermic shortly before the fight.

Bruseaux's apparently sincere insistence, however, demanded a hearing.

"Everything I said in that affidavit is true beyond any reasonable doubt," he said. "I have witnesses and other affidavits to prove it."

Lined against Bruseaux were: Joe Louis: "I had nothing done to me before the fight."

Mrs. Gaines: "I never said any
